## How your donations through payroll giving will help Hospice Waikato

Hospice Waikato relies on the generous support of people like you to be able to provide specialist palliative care, free of charge, to approximately 1400 Waikato people every year who are living with a terminal illness.

By choosing to give through payroll giving your gift, no matter what the amount, will help to enhance the quality of life for a patient and their loved ones – at a time when they need it most.

Plus, you get an immediate tax rebate on your donation, so for example if you gift \$10 to Hospice Waikato through payroll giving just \$6.70 will come out of your pay, but Hospice will receive the full \$10.

Here are some examples of what your donations could mean to our patients, based on costs across one year of giving...

**\$20** will fund a patient's meals for one day.

**\$50** will fund the cost of pain medication for a patient for one day.

**\$200** will cover the cost of an appointment with a specialist palliative care doctor.

**Thank you for choosing Hospice Waikato.**
